TUCK'S POST CARD

CARTE POSTALE.

POSTKARTE.

Drifting Down with the Ebb. This is a very delightful way of passing a summer's day, or rather the end of it. Slowly the sailing-boat drops down past the stone groynes of Canvey and gaunt Canvey Beacon, and the red spindle-legged Chapman lighthouse, and redder roofed Leigh, past Westcliff into loud and good-humoured Southend, whence, as the tide turns, the boat will follow it up to Port Victoria.

(FOR ADDRESS ONLY.)

Printed in England.
